MIDLAND COUNTY'S "OLDEST" LADY

Submitted by

Mrs. Donald R. Wilson

The PIONEER RECORD of February 1984 carried a brief item from the SAGINAW DAILY COURIER of April 16, 1878 telling of the death of "the oldest Lady in Midland County" - Charlotte Ball Woodbury who had died three days earlier aged 94 years, 5 months, and 9 days.

I have often seen her portrait which hung on the wall of her great-grandaughter's home, that of the late Mrs. Chester C. Kennedy on Larkin Street. "Grandma Ball" as she was called, wore a "voluminous black silk dress with collar and cuffs of lace, a tie of ribbon, a watch chain, lace mitts, a lace cap with ties and a handsome shawl of Lyons velvet adorned with fringe. Being of ample figure, she does not appear over dressed."

Mrs. Kennedy's mother, Mrs. B. B. Ball, has written of "Grandma Ball": she "came from Massachusetts to Midland in 1861 to make her home with her son, George F. Ball, one of the pioneers of the village, who was keeping hotel at the time...she always attended the services of the Methodist circuit rider, as it was the only public worship until 1867 when the Presbyterian Church was organized and she brought her letter from Amherst, Massachusetts. 1 14125 100 20 - mai Neerson 7 fb. Library Lounce. Const NO VER. DE "Grandma Ball was a charming woman socially and was always pleased to receive courtesies and attention from those about her. Gentlemen hastened to assist her from the carriage or up the steps on her arrival at church. The lady was also quite fond of fine clothes and always dressed well. threey teenes, and

"Her religious principles, in contrast, were quite austere; she believed it was wicked to walk in the orchard on Sunday afternoon, and was a faithful reader of the Bible."

Descendants of "Grandma Ball" are still remembered and known in Midland. Among them are the late Marion Kennedy and Grace Ball Dow (Mrs. H. H. Dow) whose children and grandchildren continue to carry on the ideals of their ancestor.

It was my good fortune to know Mrs. Dow and to live near Mrs. Kennedy and Mrs. B. B. Ball. It was Mrs. Ball, particularly, to whom I am indebted for my knowledge of "Grandma Ball."

PRESIDENT'S CORNER: Welcome back to Pat Worden as editor of the PIONEER RECORD and a big "well done" to Norma Furlo and Carolyn Bacon for the fine work these past two seasons. Andy Gibson has agreed to handle production and distribution for Pat. Our society is well supplied with capable people who don't hesitate to take on responsibility. This makes it a pleasure to head the organization.

I recently had an opportunity to talk with a woman who asked me how one goes about becoming a genealogist. For a moment I thought she meant certification as a professional, but we soon established that she meant the amateur family researcher. Most of us wandered into genealogy in our own inimitable fashion, innocently enough. I know my interest in family history began as a part of the celebration of my parents' 50th wedding anniversary and has long-since become a compelling pursuit, not only of my own family history, but also that of my husband and his family. Although none of our offspring are particularly interested in family history and genealogy now, I suspect that some day they may also develop an interest in their ancestry; at any rate, I hope they do because I certainly could use some help on a couple lines!

The woman I talked with was fortunate because she has family in Bay County and records close at hand. The best advice I could give her was to start writing things down and organize what she knows, visit the courthouse for more information, and...come to our meetings. Remember, they're always the 3rd Wednesday night of the month (but none in December) in the library lounge. See you there.

...Willie Diesen

SALT LAKE CITY - A RESEARCHER'S DREAM

by Pat Worden

A week of research in the Genealogical Library at Salt Lake City is a genealogist's paradise! Although I was unable to learn anything new about our ancestors, it wasn't because I didn't try. From about 7:45 am to 6 pm daily (plus two evenings) with 20 minutes for "lunch," I did cover a lot of territory. Let me tell you about my week and some of my impressions while there.

As a member of an Ohio Genealogical Society (OGS) tour, I joined a small group of 14 Saturday evening (Sept. 21, 1985) for orientation and getting acquainted. We spent Sunday "resting," and sightseeing, in anticipation of our week to come.

We all met at the library Monday morning at 7:30 for a tour, which included a short introductory film. An average of 2000 persons tour the library daily. The tour ended on the 4th floor where we were able to rent a locker for the week (\$2 with a 75¢ rebate when the key was returned). Lockers can also be rented on a daily basis.

It was suggested we begin our research on the 4th floor where the familiar Family Group Record sheets are kept. The 8,000,000 sheets (unchecked by the Church and to be used as clues only) are divided by dates into two groups...Archive section and Patron section. Eventually, these sheets will be placed on microfilm and the originals given to Brigham Young University. The new Family Registry, with 88 million names on microfiche, was also on this floor. Copies of fiche can be made at 10 cents per sheet.

It is difficult to describe the magnitude of the library. Perhaps statistics interest you. On the main floor, where you will spend most of your time if you are researching U.S. and Canadian records, you would find:

80 microfilm rolls per drawer 15 drawers per "stack" 10 stacks per row 28 rows (1 partial row with 5 stacks)

Although I didn't count the microfilm readers, I would guess 130±. Microfilm and readers are also found on the 3rd. and 4th. floors. I spent about 4 days reading microfilm on the first floor. The last two days were used to browse through the books, which were primarily directories, county histories and family histories. I had some trouble locating books in the counties I was interested in since they were not arranged alphabetically. However, if you are looking for a specific subject, author or locality, it is recommended that you use the computer catalog.

Copying books was $5\notin$ per page and microfilm copying was $10\notin$. If people were waiting in line to copy, you were requested to limit yourself to 5 pages. In fact, "5" was the magic number. We were asked to use only 5 books, 5 micro-films, 5 copies, etc. at any one time. These rules were generally observed.

The collection of books was begun in 1894 and in 1938, microfilming began. By 1945, there were over 100 cameras in the world, filming records. There are now over 180,000 volumes in the library (97% are on microfilm). They have over 1,400,000 rolls of microfilmed records and add about 40,000 rolls each year. Most of the library's records date before 1900. There is no fee to use this library, except for special services.

The new library, scheduled to open late October, is no larger than its predecessor. It will be more consolidated, however. There will be no cafeteria on the premise's, but the cafeteria serving the old library is within walking distance. Its food was very good, reasonably priced, however, they did not serve TEA or COFFEE! Incidentally, the new library structure is all paid for.

It was a beautiful time to visit Salt Lake City. The flower gardens approaching the library were striking, not yet touched by frost. One evening, we were treated to a special dinner in the Lion House Social Center, which is generally closed to non-Mormons. The Lion House, where Brigham Young passed away in 1877, was where the family lived and prayed together. In most every detail, the home is preserved as it was when Brigham Young and his family lived there. In fact, some of the furniture in the front parlor originally belonged to Brigham Young. The Beehive House next door was kept by Brigham Young's favorite wife. Tours were available daily, but I ran out of time.

If you're planning a trip to Salt Lake City, I would suggest you make use of the Midland Stake Library before you go. Understand how the library is organized. Use the computer card catalog, which is identical to the one in SLC, and compile a list of books and films to research when you get there. Be sure to take the tour and see the filmstrip...they will make it easier to get around. And, don't hesitate to ask questions from the many volunteers (over 300 daily).

Someday, I hope to return to Salt Lake City to continue searching for our elusive ancestors. Identifying with a group, such as OGS, was a definite advantage. My airline ticket was \$268 and room \$195 (8 nights), plus meals (who eats?). My "roomie," a delightful (and very spunky) 75 year old, was still in the recovery stages of hip surgery, but I managed to keep up with her! We got along famously.

How about it? Want to go to Salt Lake City? Marion...pass the signup sheet!

MORE TRIPS! The eleven people who journied to the Burton Library in Detroit Oct. 3, had a good day to travel and enjoyed the day. The date for the proposed trip to Ft.Wayne was moved up to Nov. 8-9th. Two carloads will be making the trip.

LDS NOTES: The updated Locality Index on fiche is expected before the end of the year. Also, the 1000 most used books which Salt Lake City is putting on fiche and placing in branch libraries should be here by January.

Our branch library will be closed the week of Thanksgiving. In December, it will close from December 18 to January 7.

Esme Gehoski "had the distinct pleasure" of meeting Harold McCracken of Marion, IN in June of this year after some years of corresponding with him. "He and I are researching the THARP-POLEN families of South Western, PA. It was fun to compare information and tell each other how we obtained all the little details. We decided that we needed to be <u>very</u> careful to record where and when we get our information."

QUERIES

SNYDER Need information on JOSEPH SNYDER and wife in the WYMAN Lancaster, PA area very early 1800's. In 1813, the family went to western New York state. They were parents of at least two daughters, SARAH who married JOHN WYMAN, and LYDIA who married CHARLES CRONKRIGHT, all coming to Saginaw and Midland around 1837. There are two Joseph Snyders shown on the 1820 NY census.

(Mr. Richard Ettinger, 23155 Hawthorne, Farmington, MI 48024).

LAISURE Desire information on FRED LAISURE, who married (1) BULLOCK DEVA BULLOCK from Sterling, MI and (2) ABBIE MCREAVY. His parents were GUS (maybe a nickname?) and MARY MERRILL LAISURE. Fred possibly had at least a brother, JOSEPH. Want to know where Fred lived previous to Sterling and Midland. The first time Fred Laisure is found on Midland records is 1888 with a land purchase. By the 1894 census, Abbie is a widow, Fred having died March 12, 1893. (Phyllis M. Benson, 1524 N. Freeman, Santa Ana, CA

92706).

Jo Brines (832-8312) has done some work for the above two persons. If you have information regarding these families, please contact her.

The Society has decided we MUST all make a concerted effort this year to sign the registry book downstairs in the genealogical collection. This means EVERYONE - members and non-members alike. We need your complete address. We need this information for several reasons - for seeking potential members and also to show the library staff how much our facilities are being used...Jo Brines.

SERVICE PENSIONS

Every old soldier who wore the blue during the civil war will get a pension. This was guaranteed Monday when the house passed without amendment the service pension bill passed by the senate January 11.

For years the proposition to pension all old soldiers, regardless of disability, has been pending before congress.

The Grand Army has exerted every effort in its power to bring about such legislation. Those soldiers who are now receiving pensions less than the amounts named in the bill just enacted will be raised accordingly. Those who are receiving more will not be affected. The following is the schedule of service pension bill:

At 62 years of age, \$12 per month; at 70 years of age, \$15 per month; at 75 years of age or over, \$20 per month.

These pensions shall commence on the date of the filing of the application with the pension bureau and the terms apply to any person who served ninety days or more in the civil war or in the war with Mexico. All that is necessary is to establish age and produce an honorable discharge. (Kalamazoo Telegraph).

The sheriff reports that Coleman was thrown off the Pere Marquette evening passenger train west bound that Saturday evening, just at the Snake Creek crossing, just after the train had left this city. It was thought that Coleman started some disturbance and was put off. He was found in the snow by a man driving to Midland, who brought Coleman along. Coleman was found later in a bakery by the sheriff.
