## DEATH OF RALPH R. PRICE

---

Passed Away At Home on Larkin Street  
Thursday Morning After  
Long Illness.

---

"Ralph Rumrill, only son of Mr. and Mrs. Alfred Price of the second ward, passed away last Thursday morning at the home of his parents, after an illness of about a year.

"Ralph R. Price was born July 18, 1889, at the home where he died and attended the public schools of this city until fourteen years of age. He then entered the employ of the Electric light company where he remained until his seventeenth birthday, when he enlisted in the U. S. Navy. He served on the flagship Connecticut under Rear Admiral Robley D. Evans and accompanied the fleet of sixteen battleships on their cruise from New York around Cape Horn to San Francisco. He sustained an injury to his hip and, in 1908, was given a medical discharge from the service. Since returning to Midland, he had been engaged in automobile repair work, until his health compelled him to discontinue all work.

"Besides his parents, he is survived by one sister, Bessie.

"The funeral was held from the home on Larkin street Sunday afternoon, Rev. J. N. Zydeman officiating.

"The pallbearers were Dr. R. J. St. Louis, Dexter Fales, Will Baker, Leo Nehil, Gair Atkinson and Selligman Lewinstein and the city band escorted the body to the Midland cemetery, where interment was made."

## PRESIDENT'S CORNER

## German Research via Form Letter

About a year ago, I copied a German-language form letter and sent it off to "the Catholic priest" in the village of Hebelermeer, Hanover, asking for information from the parish register on my husband's ancestors. I was disappointed when months went by with no response and had considered writing in English to a church archive.

Last week, though, a letter came from the new priest there. Although he explained that the parish did not have a churchbook for the time I needed records, he secured the information from the church at Wesuwe including two additional generations of the family plus information on where they lived before Hebelermeer. In addition, he noted another surname on my chart and sent the address of a woman in Illinois whose husband's family was from Hebelermeer and is probably related.

It's a wonderful feeling to run across such a helpful person. I speak no German at all and had put my faith in a form letter I couldn't read. The response was in German, so now I'm confronted with the task of figuring out how to express my appreciation --- "Danke schon!" doesn't seem sufficient.

LAST MEETING: Dr. Rhonda Davis, a Medical Doctor in her second year residency at the Family Practice Center, Midland Hospital, gave an informative introduction to genetics and genetic disorders during our October meeting. Using slides furnished by the National Foundation/March of Dimes, "From Generation to Generation: Genetic Counseling," and several other references, she told us about genes and chromosomes and their dominant and recessive qualities. If you've ever wondered why your child had brown eyes when you expected a blue-eyed baby, Dr. Davis would have helped you to better understand the process. She also reviewed selected genetic disorders, impressing on us the importance of knowing our family history and detailed diagnostic information to clarify patterns of inheritance.

#### SEMINAR

Over 500 persons attended the 13th annual MICHIGAN GENEALOGICAL COUNCIL SEMINAR, hosted by the Mid-Michigan Genealogical Society in Lansing, MI. on Oct 16-18. At least half attended the computer track, which would indicate genealogical computing is here to stay. The theme, "Canoes to Computers" included subjects, "Why Computers," "Tracing our 20th Century Ancestors," the "How to" aspects of genealogy, organizing files to publish your family history, plus many others. Door prizes, vendors, and family/spouse activities, totaling 19 separate programs, were held at the beautiful Clarion Hotel & Convention Center. An "Early-bird" session was held on Thursday evening; dinner and entertainment Friday evening including the presentation of Susquecentennial certificates. I'm sure it was enjoyed by all who attended.

#### Death and Burial of Ralph R. Price of This City

"Ralph Price, who has been suffering with tuberculosis for nearly a year, passed quietly away last Thursday morning at 10 o'clock at the family home on Larkin Street.

"No one had had hopes of his recovery since the verdict of the examining specialist several months ago, who said that Ralph was suffering from tuberculosis of the lungs, stomach and bowels.

"Born in the same house and room in which he died, Ralph Rumrill Price spent nearly all of his 23 years of life in this city. He was born July 18, 1889. He attended the Midland

public schools until he was about 15 years of age, when he worked for the electric light company, in whose employ he remained until he was 17 years of age.

"At the age of 17 he enlisted in the U. S. Navy, making the trip around South America in the flagship, Connecticut, under Admiral 'Bob' Evans. During the latter part of his service he received an injury to his hip while assisting in coaling ship, and received his discharge at San Francisco, after serving a little over two years.

"After working in the Buick auto works at Flint, and machine shops at Detroit, he had gained enough experience in the automobile business so that he opened up a garage and repair shop in Midland, where he conducted a successful business for two years. The last and third year he was unable to do but very little.

"Ralph was a young man who was generally liked by everyone who knew him, as was shown by the kindnesses he received all during his illness.

"He leaves a father, mother, and sister, Bessie.

"The funeral was held Sunday at the home of his parents, Mr. and Mrs. Alfred Price, and was very largely attended, not only by his more intimate friends, but by the members of the Lincoln Camp of the National League of Veterans and Sons, and the Midland Concert Band. Rev. Zydeman officiated.

"Those from out of town who attended the funeral were: Arthur Vallender and Mr. and Mrs. Wm. Martin of Bay City.

"The pall bearers were: Dr. R. J. St. Louis, Seligman Lewinstein, Dexter Fales, Leo Nehil, Will Baker and Gair Atkinson.

### Greatest Flood Ever Known in the History of Midland

"Inundates thousands of acres, destroying buildings and personal property. A Horse, Cow, sheep and other live stock carried with the flood. Exceeds by two feet record-breaking flood of 36 years ago, in May 1876.

"Unprecedented rains, continuing nearly 72 hours almost without stop has brought on this city and community an almost unheard-of occurrence. First time in city's history, so far as there is any record, that rains alone with no snow & ice stored around the headwaters, has brought this City to a flood tide."

## Almost Equals Greatest Midland Flood, One of 1912

"Flood waters at greatest height Tuesday and Wednesday lack but a few inches of reaching the highest mark ever known here.

"The 1912 mark was 2 feet higher than the greatest previous flood of the year 1876 - 40 years ago."
